PREMIUM PHOTO GALLERY

Gallery as feature without title.
There is a play button to move
automatically through images.
And a pop-up overlay.

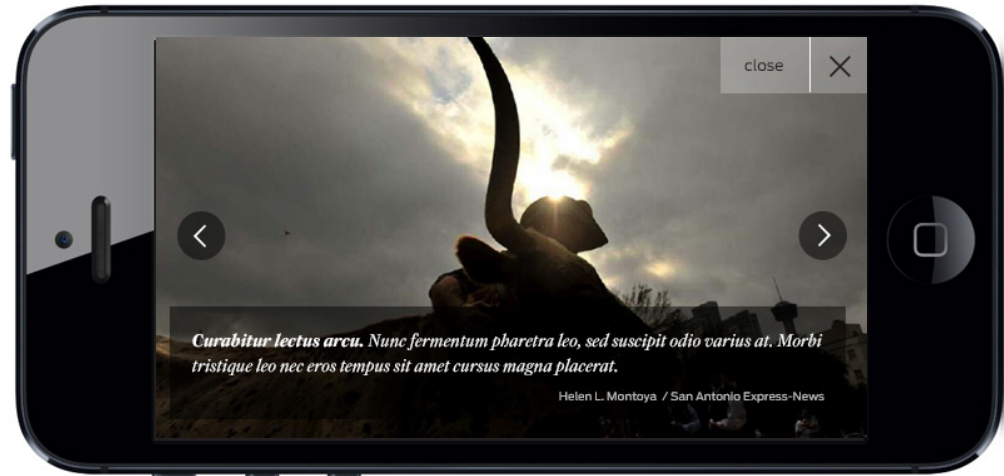

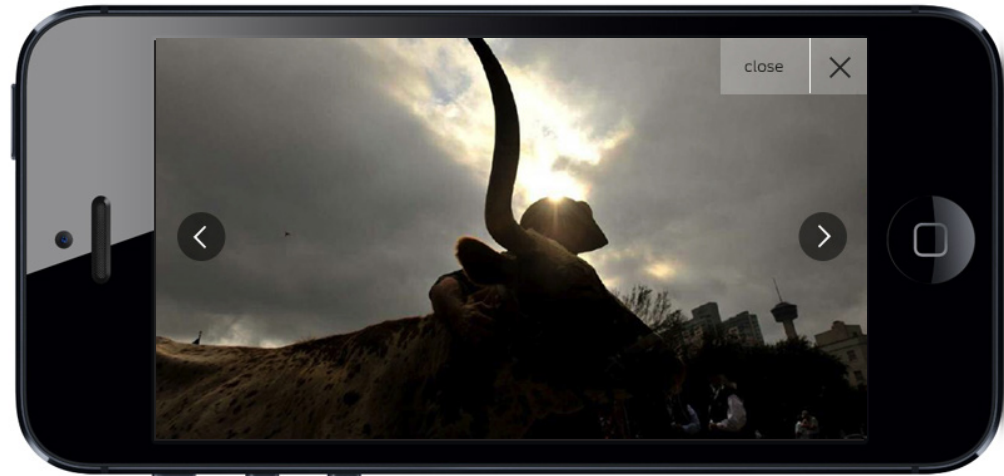

Gallery as feature with title.
NOTE: There is no thumbnail view in
mobile.

The initial touch brings up
directional arrows to swipe through
images.

Pop-up overlay. Images appear at their full original proportions along with caption. You can swipe through images.

Turning the phone horizontal while in the pop-up state has the image go to full screen. The caption is turned on and off by tapping the middle bottom of the screen. You can swipe through images.

An example with a vertical photo.
